Art

Statement of Intent

At Westmoor Primary School our art curriculum is designed to inspire and empower pupils as artists. It enables children to express themselves creatively, imaginatively and through exploration. A progression of taught skills are built up across phases in the school to enable pupils to experiment, invent and create their own works of art, craft and design, applying a range of mastered techniques. Drawing is integral to the art curriculum. Pupils are provided with a critical understanding of art and artists that both inspires, and seeks to highlight how art contributes to the culture, creativity and wealth of our nation.
