

Westmoor Primary School

Programme of Study

Name Year 4 Date Autumn Term 2017

Numeracy

Numbers and Place Value Recognise place value in 4 digit numbers. Count backwards using negative numbers. Round any number to 10,100,1000. find 1000 more or less than given numbers.

Order and compare 4 digit numbers using $<$ $>$. Use written methods to add/subtract 3/4 digit numbers. Solve simple 2 step problems. Recall tables facts up to 12×12 . Multiply 2 digit numbers by one digit using a written method. Continue to practise mental methods for $+$, $-$, \times , \div .

Geometry and Measures Use a range of measures with increasing accuracy. Convert between different units e.g. kilometres/metres. Use decimal notation to record metric measures and money. Solve problems involving measures/ money. Read, write, time- analogue/digital. Use correct mathematical vocabulary to describe and classify 2D shapes. Identify lines of symmetry. Use co-ordinates to describe position.

Statistics Collect, present and interpret data in a variety of forms, including bar charts and time graphs. Begin to use a range of scales.

Literacy

Speaking and Listening

Talk for Writing, role play, drama, hot seating, Talking Partners and discussion groups, presentations.

Spelling and grammar

Topic related words eg armour, loyal, treasure guard, noble, barrow etc
Spelling revision. Continue to learn words from National Curriculum word list.
Spelling patterns- sion, ssion, cian
Revise simple words classes.
Recognise adverbs, prepositions, fronted adverbials.

Reading

Word reading and recognition –root words, exception words
Comprehension skills, information retrieval and inference.

Writing

Talk for Writing, story mapping, Anglo-Saxon myths and legends eg Beowulf and the Dragon, letters, descriptions, information texts, digital literacy and poetry.

Topic

Awesome Anglo-Saxons

Timeline

Where they came from

Jarrow Hall visit

Settlements and daily life

Felt making, bread making

Growing herbs

Plant investigations and much more !

PE

Gymnastics

Shape and balance, symmetry, linking and sequencing movements.

Swimming

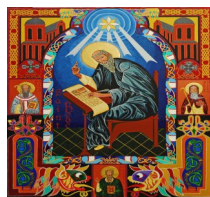

RE

Buddhism

Bible, Spread of Christianity and Christmas Story.

Monastic life of Bede.
