

Westmoor Primary School Programme of Study

Term 2

Name Date Jan - April Year 1

Maths

Numbers and Calculations:

Counting forwards and backwards within 100, ordering numbers and using the language of equal to, more than, less than, most and least. Counting in tens and twos. Using practical methods to add and subtract one-digit numbers and recording as number sentences. Recalling addition and subtraction facts to 20 (Number bonds). Finding a half and quarter of shapes and objects. Solving multiplication and division calculations and problems.

Shape and Geometry: Recognising and using whole, half and quarter turns. Naming and describing 3D shapes. Estimating and measuring weight.

It is essential that your child knows to count forwards and backwards within 100 by the end of the year. Please practise counting with your child regularly at home.
